Representation Letter

This Letter is to confirm that GREEN GROUP PE S.A.C. is exclusively authorized to sell, distribute and market our products over the territory of Peru.

The products include: mercury vapor analyzer G-7X, calibrator GA-7300, spare parts and accessories to them. We confirm that these products are manufactured by our own in Lithuania (European Union) and meet safety standards.

We confirm that we own all relevant intellectual property to our products and we authorize the Distributor to use our trademarks for marketing.

Our products are manufactured and sold according to the laws of Lithuania (European Union).

Unless agreed otherwise, our products (except of the certain wearable spare parts) are covered by the standard one-year warranty and guaranteed 5-year post – warranty support.

Sincerely yours,
Andriejus Urba, director
